

Baseball Camp

1.1.11

Dear Sponsor,

Let me first, Thank You again, for all the support that you provide to this camp each year!

In November of 2008 the Stone Chiropractic Center Baseball Camp applied for 501 © (3) status of the Internal Revenue Service code. This 501 © (3) non-profit tax identification number, will make your gift eligible for 100% credit on your taxes. I realize in these difficult economic times, there is little discretionary income to work with. Please consider this camp when making your donation this year. I Thank You for you kindness and continued support.

You, our sponsors, continue to make this camp unique and truly special, not only for the participants, but everyone in this town. Because of you and your generosity this camp was noticed, not only by the people in this town but all over this state. One person in particular, David Cone, former MLB player and future Hall of Famer commented on our camp. David was so impressed on how our community comes together every year to provide this camp for the children of this town. **According to David "There is no other camp like this one. The way this camp is set up, where children are chosen on their accomplishments through out the school year, separates it from all the other camps around."**

This is truly a gift from your heart, you, our sponsors, never look for the recognition or the publicity, you just give every year. I cannot thank you enough for this. You understand that everything about this camp is for the kids.

So with that being said, last year Stone Chiropractic Center, LLC in conjunction with Watertown Park and Recreation, ran its 16th annual Baseball Camp. Due to people like you, our camp was a huge success. Watertown/Oakville kids experienced four days of character building, baseball fundamentals and acquired a positive sense of self accomplishment, taught by Former Major League Player, present day scout for the Kansas City Royals and owner of Pro-Kids Baseball, Tony Ferreira. Last year former NY Yankee great, David Cone, visited our camp. This was David's third appearance with us in Watertown and as usual he was most gracious with his time, knowledge and love for not only baseball but for the children of our town. David signed autographs, took pictures and chatted with everyone in the crowd of 250+. It was another great year for the kids.

Baseball Camp

This year, the 17th annual Stone Chiropractic Center Baseball Camp will take place on July 25th ~ July 28th at Deland Field.

Again, I am asking you to help change a child's life in a positive way. There are too many negative temptations in this world and if we could instill character, proper work ethic, and self esteem by utilizing baseball, then isn't it really more than just a game.

For \$150.00, you as an area business or individual have the ability to sponsor a child and plant a seed of self worth and accomplishment into a child's life. For the cost of a business dinner or a one-time newspaper ad, you could send a boy or girl ages 8-12, to a four day Professional Baseball Camp right here in Watertown and give that child the experience of a lifetime which they will never forget.

Last years Camp was a wonderful success because of people and companies like yours. Please assist me in helping the children of our community. Make children the number one priority in 2011.

Please give this **immediate attention** and return the enclosed sponsor application and a check for **\$150.00/child** c/o Stone Chiropractic Center, LLC Baseball Camp by June 1, 2011.

As you know, the children who are sponsored are selected by the local school principals. This camp is a gift by you to some deserving child who has performed in an exemplary fashion whether scholastically or has presented themselves in a community roll model fashion; all sponsored children must be in good standing with their school and have all passing grades.

There's no better way to make a difference than investing in a child's future. I hope you will continue to support this camp and the goals that I set for it.

I Thank You for your anticipated cooperation and generosity.

CONTINUE THE TRADITION.

Please send your **check** to my office payable to **Stone Chiropractic Center Baseball Camp**. If you have any questions, please do not hesitate to contact me at 860-274-5484.

Thank you again,
Dr. Mark P. Stone, CCSP, CKTP
